Client-side load-balancing in client server network - all 3 versions »
CL Ballard - US Patent 6,078,960, 2000 - Google Patents
... According to another advantage of this invention, the client side load
balancing method does not suffer from a Page 7. 6,078,960 ...
Cited by 29 - Related Articles - Web Search

Dynamic load balancing on Web-server systems - all 25 versions »
V Cardellini, M Colajanni, PS Yu - Internet Computing, IEEE, 1999 - ieeexplore.ieee.org
... Client-Side Proxies From the Web cluster standpoint, proxy ... Like all Web-client
approaches, this one has ... proxy servers because any load balancing mechanism they ...
Cited by 298 - Related Articles - Web Search

A comparison of load balancing techniques for scalable Web servers - all 3
versions »
H Bryhni, E Klovning, O Kure - Network, IEEE, 2000 - ieeexplore.ieee.org
... Therefore, load balancing architectures are best classified according to where
redirection is ... the Client The remapping of addresses at the client side can be ...
Cited by 90 - Related Articles - Web Search

An empirical evaluation of client-side server selection algorithms - all 13
versions »
SG Dykes, KA Robbins, CL Jeffery - INFOCOM 2000. Nineteenth Annual Joint Conference of
the IEEE ..., 2000 - ieeexplore.ieee.org
... In server- side mechanisms, clients send requests to a dispatching module that tracks
current load conditions and ... The dispatcher may direct a client to the ...
Cited by 97 - Related Articles - Web Search

Load balancing a cluster of web servers: using distributed packetrewriting -
all 5 versions »
L Aversa, A Bestavros - Performance, Computing, and Communications Conference, 2000.
..., 2000 - ieeexplore.ieee.org
... through "Fast Packet Interposing"---but not on the issue of balancing load. ... work
is to address the performance limitations of client-side caching proxies ...
Cited by 86 - Related Articles - Web Search

**Client-side resource-based load-balancing with delayed-resource-binding
using TCP state migration to ...** - all 3 versions »
J Brendel - US Patent 6,182,139, 2001 - Google Patents
... Thus client-side load balancing is transparent to high-level user applications.
The client-side load balancer can operate in other modes. 20 ...

**... which includes loading condition of servers broadcasted by application
servers for load balancing** - all 3 versions »
P Choquier, JF Peyroux, WJ Griffin - US Patent 5,774,668, 1998 - Google Patents
... USES SERVICE MAP WHICH INCLUDES LOADING CONDITION OF ... server that has a
relatively

low processing load. A communications protocol between the client and Gateway ...
Cited by 186 - Related Articles - Web Search

ONE-IP: techniques for hosting a service on a cluster of machines - all 6 versions »
OP Damani, PE Chung, Y Huang, C Kintala, YM Wang - Computer Networks and ISDN
Systems, 1997 - Elsevier
... web traffic by sending extra status information from the servers to the client-side
applets. I The Server-side DNS approach implements load balancing in the ...
Cited by 192 - Related Articles - Web Search

Using smart clients to build scalable services - all 25 versions »
C Yoshikawa, B Chun, P Eastham, A Vahdat, T ... - Proceedings of the Annual Technical
Conference on ..., 1997 - portal.acm.org
... Client- side functionality is partitioned in this fashion to sep- arate the
service's ... Using client polling of servers to maintain load information has the ...
Cited by 224 - Related Articles - Web Search

Web usage mining: discovery and applications of usage patterns from Web data - all 42 versions »
J Srivastava, R Cooley, M Deshpande, PN Tan - ACM SIGKDD Explorations Newsletter,
2000 - portal.acm.org
... caching (:an be used to reduce the loading time of a ... users as well as the network
traffic load at the ... Unless a client side tracking mechanism is used, only the ...
